Entry Permits - Teachers.

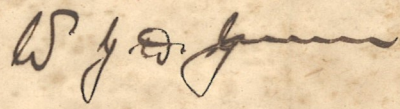

Many thanks for your letter of 26th October, 1956 contents of which have been conveyed to the Assistant Controller of Immigration, Johore Bahru. We have advised him of the acute shortage of suitable teachers for secondary schools, and the need to recruit from outside.

However, as proof is required that you have made efforts locally you should submit a copy of your advertisement along with a note of the results direct to the Asst. Controller of Immigration.

You can rest assured there will be no undue delay in this matter.

多谢你十月廿六日给我的信,已转达给新山的副移民所长,我们告诉他:中学教师实在非常缺乏,必须向外物色。

继续如此,证明本地的努力,既被提出要求;那末,你必须提交一份广告,和徵聘教师的結果,直接送給副移民所长。
