Grants to Chinese Schools.

From April, 1956 it is intended that payment of grant to Chinese schools will not be by cheques but by direct payment to the bank in the name of the school. It is hoped that by this procedure schools will be able to receive their grant earlier.

I should therefore be grateful if you would let me know the name and address of the bank in which your school has an account.

Schools which have no bank accounts will continue to be paid by cheques.
