As the enrolment of students will be greatly increased in our school, we shall have to start at least ten additional classes in 1957. We therefore shall require the services of more than fifteen teachers for these classes.

At present, we have received lists of teachers recommended by the American Aid Refugee Chinese Intellectuals Inc., Hongkong Office through the Education Departments of Hongkong and the Federation of Malaya. We forward herewith the applications for entry permits in favour of nine of the twelve teachers to be recruited with their necessary documents as per attached for your kind approval.

We have the honour to be,
