Chief Education Officer,
State Education Office,
Johore,
MALAYA.

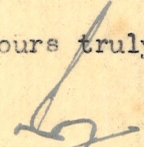

Dear Sir:

Thank you for your letter of 10 February, Ref. CSJ/S/3/D/50.

The cable to which you refer was sent by us to Immigration Department with copy to you and copy to the Chung Hua High School, Muar, for your information. The news we received from the school at the end of last year was promising in that they expected to get one case clear, then for the clearance of the other 10 to follow. Nothing has meantime materialized and we decided to take the step of cabling Immigration Department in the hope that we could make some progress in this affair.

We had of course understood your position and realize that this matter is one for the Immigration Department and in sending you a copy of the cable, we merely wished to alert you in case Immigration should call on you for information regarding the teacher candidates.

Yours truly,

W. J. Howard
Associate Director
