The Asst: Comptroller of Immigration,
Immigration Office,
Johore Bahru.

Through:
The Superintendent of Chinese Schools,
Education Department,
Johore Bahru.

Sir,

Re: Application for an Entry Permit
in favour of Mr. Der-shu Liu & his
wife Madam Cheng Shang-ni to enter
the Federation of Malaya.

We have the honour to inform you that under the
sponsorship of the Government Education Department, we have
a special Senior Normal Department in our school for the training
of teachers for Chinese Primary Schools. Since the inception of
the Senior Normal Department we have found great difficulties in
fulfilling our obligation to the Government as there has been a
shortage of staff for the teaching of subjects for the Normal
Course.

We would therefore very much like to apply for
favour of an Entry Permit so as to enable Mr. Der-shu Liu
and his family to enter the Federation of Malaya and serve
as teachers in the school. Mr. Der-shu Liu is at present a
Lecturer in Education in Taiwan Normal University, Formosa,
China. He has kindly accepted an employment in the school as
the Master-in-charge of our Government sponsored Senior Normal
Department, teaching subjects in Education, Theory of Education
and responsible for the training of practical teaching of the
Senior Normal students.

Mr. Der-shu Liu, who is a specialist in Education
and a distinguished author, is an upright person with profound
knowledge and experience in the field of Education. If references
could be made to the former staff of the British Consulate, Taiwan,
further details of his upright character, experience and knowledge
would be confirmed. Mrs. Der-shu Liu (Madam Cheng Shang-ni) who
is also educated can be employed as a teacher in our Primary School
too.
