Sir,

## Fund for the construction of the approach road to the school.

We have the honour to apply for favour of your approval to grant us exemption from Entertainments duty on the sales of cinema tickets for film shows to be held in each of the theatres in Muar for the purpose of collection of funds for the construction of the approach road to our school.

You will appreciate that our school building at Jalan Jonid has been completed for the last six years. Owing to lack of fund, we have not been able to have the approach road tarred. As a result the present road is rather dusty and sometimes muddy on rainy days. It is really an inconvenience and nuisance to our staff, students and public numbering thousands making use of the road daily.

According to our present estimate a sum of twelve thousand dollars is required for the construction of the approach road. The Board of Management Committee has decided to give five thousand dollars to the fund for the construction of the road. There is a shortage of about seven thousand dollars for the completion of the whole road. We have therefore intended to approach the theatres to extend a helping hand by allowing us to collect funds through the sales of cinema tickets on one film show in each of the theatres. On approval, all our teachers and students will undertake to sell the tickets for admission to each of the film shows to the general public. As the amount collected will be solely expended for the construction of our approach road, we should ever be grateful, if you would kindly approve our application for the exemption of entertainment duty on the sales of cinema tickets for these film shows. Hoping to hear favourably from you soon,

We have the honour to be,

Sir,

Your obedient servants,
