Mr. W. G. D. Gunn,
The Superintendent of Chinese Schools,
Education Office,
JOHORE.

Sir,

Sub: Appointment of New Teachers.

We would like first of all to thank you for your help in enabling us to obtain the entry permit for Mr. Liu Ping-Chih (劉聘之) a teacher of English from Hong Kong. Mr. Liu has arrived here on 7th of May to take up teaching duties in the school.

Beginning from this term, we have succeeded in recruiting locally the following 4 teachers to relieve the acute shortage of staff:-

(a) Mr. Lee Tsing Tzu (李敬持), who is a graduate of the Imperial Japan University, Tokyo, came to Singapore from Sarawak recently and was a teacher in the Nanyang Girls' High School, Singapore until last term. The Principal of the Nanyang Girls' High School has consented to release him in order to enable him to accept the appointment as a teacher of Chinese Literature in our school. He is to replace Mr. Li Ping Jin (李冰人) who had been taking Mr. Yih 易飛左 Ching-Cho's classes temporarily but has been directed to quit teaching.

(b) Our Mathematics Teacher, Madam Woo Shieh Ming (吳學敏) has resigned owing to ill-health. We have now Madam Huang Chin Ping (黃劍平) to take over her classes. Madam Huang is a graduate of the Peking Girls' Normal University, specialised in Physics. She was formerly the Mistress in Charge of Discipline in Kuen Cheng Girls' School, Kuala Lumpur.

(c) After increasing the number of Mathematics periods, we have recruited more Mathematics teachers. Mr. Tan Siew-Mei (陳火梅) and Mr. Chung Hwee Soon (張輝孫) have been appointed as new Mathematics teachers.

(i) Mr. Tan Siew-Mei (陳火梅) has been a Mathematics & Science Teacher in the Chinese High School, Singapore for many years. The Principal of the school has consented to release him for appointment in our school.
