Sir,

Subj: Application for an Entry Permit for
Mr. Yih-Yuan Li & Family.

There will be an increase of ten classes in our school next year and we therefore require the service of about fifteen additional teachers. With this in view, we are perforce to recruit teachers at an early date.

We have great pleasure in informing you that Mr. Yih-Yuan Li has consented to accept an employment in our school as a teacher of Chinese Language and Literature. Mr. Li is at present in Formosa, China. He is a graduate of the National Taiwan University, China, specialized in Ethnology and Chinese Literature. We think that he should make an ideal teacher of Chinese Literature in our school. Moreover, at the time when Malaya is on the road to Independence, knowledge of Ethnology will greatly contribute to the understanding of, and respect for the different races which are the basis essential to racial harmony. Hence, by having Mr. Li to serve in our school, will not only help in the progress of Chinese Education but will also of benefit to the promotion of the Malayan Culture as a whole.

We forward herewith Mr. Li's application together with copies of pertinent documents as follows with the earnest hope that you will kindly recommend the approval of the applications.
