

Supervisor, / Headmaster,  
Chung Hwa High School,  
Soh Muar

Resignation of Teachers.

Supervisors of Schools should inform their respective Asst. Inspector of Chinese Schools at least a month before hand when a teacher wants to resign, stating if possible where he ( the teacher ) intends to go and what he intends to do, at the same time forwarding his registration Certificate for cancellation.

When a teacher goes to teach in another school, he has to re-apply for registration.
